Talking with Tiffany

Kermit: it is great having you here, Tiffany.

Tiffany Alvord: thanks, Kermit; I'm having a great time, too.

Kermit: I'm happy you do.

Kermit: You know, Tiffany, you have that good girl image.

Tiffany: yes, I know. "Jedi in the streets" / etc.

Tiffany: But I do have a "bad girl" side and a "badass" side to my personality. I also tend to get cast into many kissing roles.

Kermit: it has been said that men would kill to kiss you.

Tiffany: heh, figuratively, I hope.

Tiffany: Anyway, if I like the screenplay enough, then the production company can even also pay the guys I kiss on screen.

[[Gonzo](#) appears swiftly.]

Gonzo: hey, Tiff... can we kiss for the money? It's in the script.

Tiffany: sure, Gonzo. On a countdown from 3:

Tiffany: three... two ... one ... [she kisses Gonzo].

[[Scooter](#) (= a muppet gofer) approaches.]

Scooter: here's your 500,000 dollars in thousand dollar bills, Gonz.

Gonzo: why, thanks! [he thinks for a moment] Say: can we kiss again?

[Tiffany puts her head in her palm, shakes her head, and sighs.

[Sesame Street-like disappointment-tune.](#)]

More wannabe kissers

[[Animal](#) enters the frame.]

Animal: Tiffany kiss Animal!

[[Discord \(from My Little Pony\)](#) materialises out of thin air.]

Discord: hey, why does everypony get to kiss Tiffany, and I don't?

Animal: Animal not a pony!

Tiffany: hold your ponies, guys! These kisses are not in the script.

Tiffany: But let's do something else that's fun: let's play basketball!

The others: alright!

Playing basketball

Kermit: [holding a microphone] and here we are in [Venice Beach, California](#), as the Muppets' basketball team, which consists of Tiffany Alvord, Gonzo the Great, Discord, Animal, and... [Emma Watson](#).

Emma Watson: Tiffany, Discord, and I are honorary Muppets.

Animal: honorary Muppets!

Kermit: yes... anyway, they are playing against... the [Los Angeles Lakers](#).

LA Lakers' Captain: OK - timeout, timeout! The other Lakers and I are professional players. We've been practising for years, often several hours a day. Moreover, you are... how should I put it...

Animal: muppets basketballers shorter than Lakers!

LA Lakers' Captain: exactly! So while it isn't unthinkable this will be a fair match (given I just thought about it), it seems unlikely that it is going to be one.

Emma Watson: no worries! I'm not in the mood to play now anyhow, so I'll summon my backup player.

Emma Watson: [uses her phone] hey Big Puff! Please come to replace me.

[Big Puff (from Ghostbusters, [“Ghostbusters vs Mythbusters. Epic Rap Battles of History - YouTube”](#)) wearing a muppets basketballers' uniform and dribbling a gigantic basketball comes towering.]

Big Puff: let's play ball!

Tiffany, Discord, and the Lakers' Captain: [in unison] bloody fuck!

Emma Watson: hey, that's my line!

Tiffany: guys, I think I'd rather the script would tell me to kiss you.

LA Lakers' Captain: it seems unlikely that it is going to be a fair match again.

Animal: not fair match, not fair match!

The Mossad to the Rescue

[Several teenagers including Michael walk out of a portal.]

Michael: Greetings all! We are quadruple FBI / Russian Mob / CIA / Mossad agents [shows his badges] . Ms. Watson, please read the email that Fluttershy, one of our directors, has sent you.

Emma Watson: sure! "Dear Emma, first of all, please inform Mr. Big Puff that he has left a cake in the oven, and that he has also received 3 GitHub [merge-requests](#) which have passed [continuous integration](#), and which he should review."

Big Puff: oh. Sorry, Em, but I got to go. Bye!

Emma Watson: no problem, Big Puff. I'm in the mood for playing basketball again anyhow. Bye!

[Big Puff walks away.]

Emma Watson: "Moreover, we suggest the Muppets' basketball team play against our teenage agents, while the Lakers play against the San Francisco 2000ers."

[San Francisco 2000ers walk out of a portal.]

LA Lakers' Captain: works for me.

Emma Watson: "Sincerely yours, [Fluttershy, Princess of Princesses, head of the secret cabal leadership of the Mossad, the already top secret intelligence agency of the Zionist conspiracy](#)"

After playing basketball

Animal: good game!

Tiffany: yes, it was a good game.

[Caption on the screen: “[Tiffany kisses Animal and Discord]”]

Tiffany: OK, Emma, Michael, please record these kisses with your smartphones.

[Tiffany kisses Animal followed by Discord.]

Tweet by @TiffanyAlvord: I'm having a great day! I kissed 3 muppets (incl an animated draconequus), and played bball against teenage @FBI / RussianMob / @CIA / Mossad agents.

Tweet by @TiffanyAlvord: And it was on the production company's expense.

[Cut to the basketball court's benches.]

Tiffany: so, Michael, what do you like to do aside from multiversal defence, and playing basketball?

Michael: oh, software development (FOSS/etc.), blogging using [static site generators](#) and social media and stuff... online chats (IRC/etc.)... I also have a girlfriend.

Michael: There are also other game-games that I like.

Michael: Occasionally, I'm bored enough to watch an educational video, or read a book.
